Helping people find  
and follow Jesus

# Matt's message

Hello Ashwood News Readers! Welcome to our 6<sup>th</sup> and final edition of Ashwood News in 2025! We will look back over the last couple of months as well as look ahead to things coming up in the life of the church. If you're new to us, we hope you can find what you're looking for. Feel free to contact us, if we can help you further. Thanks for reading!

## Vision Offering Sunday

What a day! **Vision Offering Sunday!** (28<sup>th</sup> September) As we continue our journey towards our "New Home" this was another landmark moment along the way. Bob shared again the latest view of our plans to create a new building that will firstly honour God and secondly be a safe, warm, sacred and welcoming place for people across our communities as well as our wonderful church family. A place where Jesus will be at the centre and a place where more and more people can know His love and start to follow Him.

On behalf of the Trustees and leaders a huge **"THANK YOU"** to everyone who brought your offering to the Lord and gave financially towards this project. At the point of writing, the current total (including Gift Aid and pledges) is £78,171! Incredible!

I've loved sharing the story with friends in other churches who are cheering us on, and also sharing with colleagues at work who are curious and supportive of what we are doing. People are interested!

As we celebrated the offering and gave it to God – there was a strong sense that it was more than just about the finances but also a demonstration of faith and our trust that Jesus will enable us to see this project come to fruition. We have a good amount of finance already, but we still need a significant amount more before we can start to build. The NHFA team continue to communicate with potential funders who we hope will support our vision.

We recognise that our prayers remain vital and powerful in our journey – Let's give ourselves to praying regularly. (Thursday is a day we've set aside each week and our monthly prayer gatherings – see later in Ashwood News)

## Guest Speakers

What a joy it was to have Joe Gisbey (CEO Links Charity) and Jonas Eyles (Alive Church Grantham) speak in our Sunday meetings.

Both spoke passionately about Jesus and many of us responded to both messages and people experienced God's presence. We loved it!

We continue to pray the prayer we've been singing – "Let me see Jesus" more of Him in every way in our lives, individually and corporately.

## Freedom in Christ

Freedom in Christ course is in full flow – with more people signing up to this course than ever! Thanks to Bec Goody and the great team who are facilitating the course and helping us to step into the Freedom we have in Jesus.

## Christmas

Christmas is coming! Are you ready? Time to dig out those Christmas jumpers, Christmas jackets, or for me my special Christmas suit and tie! (Claire loves it too! See pic)

In Ashwood each year we will make sure that we celebrate Christmas well in all the different activities and with special events planned for all ages!

Look out for (Car) "Boots and Baubles" special Christmas event this year! (pg 21) We hope this should be fun! We will love to welcome many of our friends from Seesaw (Toddler Group) and other guests from our community. See later in this edition for all the dates for your diary. This year especially, we'll do everything to put all the spotlights on Jesus the LIGHT of the world! In a dark world, let's celebrate, invite people to come and meet the REAL JESUS!!

## Baptism Sunday – 25th January 2026

In October we baptised Tony and Rob – it was great to hear their stories and their declaration that they want to follow Jesus. If you've never been baptised, please speak to someone, and find out more. Our next Baptism Sunday is provisionally 25<sup>th</sup> January with an information session on 11<sup>th</sup>

January. Everyone is welcome to come along and find out more, even if you're not sure if you want to be baptised, please come and ask any questions you might have and we'd love to explain what we believe baptism means.

We already have a number of people interested in being baptised. Could this next time be you?

Please contact your LifeGroup Leader or Youth Leader or email

[admin@ashwoodchurch.org.uk](mailto:admin@ashwoodchurch.org.uk) or [bec@ashwoodchurch.org.uk](mailto:bec@ashwoodchurch.org.uk) to register your interest or if you would like to have a conversation.

## New Home for Ashwood – Continuing to Pray

Now that planning permission has been granted the NHFA team are working hard behind the scenes in lots of areas that will move us forward. Please pray in one or more of these ways!

### 1. Monthly Prayer together

We plan to meet every month, 8-9pm at the Ashwood Centre:

- Thursday 27th November

### 2. Fasting Thursdays

We're also encouraging people to consider fasting from food on "Thursdays" as we intentionally seek God and add extra weight to our praying. Fasting demonstrates "We're serious and we're focused."

### 4. Pray the Declaration Prayer:

*God our Father, we give you thanks and praise for all that you've done in our past and thank you for your faithfulness to us over many years. We believe that you've called us to be a healthy growing church for all ages. We believe that you have good plans and purposes for our future. We believe you have said "Enlarge the place of your dwelling" and it's time to Plan for Growth. We pray that you will make it possible for us to acquire the land next door, to help with our growing church family. Thank you in advance for providing all the provisions we need! Lord increase our faith for this project – we believe you can do it! We don't want to settle for anything less than your best for us. Help us to think big! Amen*

## New Home for Ashwood – Giving Thanks and Moving Forward

We are so thankful to God for His incredible provision and for the generosity of our Ashwood family! Through our recent Vision Offering, we have already received over **£78,000**, along with a number of new monthly supporters who have committed to give regularly towards our New Home. What a wonderful start to this next stage of the journey, thank you to everyone who has prayed, given, and encouraged us along the way.

We're also pleased to share that we are now in active discussions and looking to appoint a company that could undertake the construction of our new centre. These conversations are helping us to finalise the costings and clarify what the following practical steps will look like as we move towards construction.

Please continue to pray for wisdom for the NHFA team as we make key decisions, for our ongoing fundraising efforts, and for God's continued blessing and provision over the entire project.

If you'd like to stay up to date with the latest news and progress, make sure you're signed up to receive our **monthly NHFA emails** through ChurchSuite. You can update your preferences anytime under *My ChurchSuite → My Details*.

With gratitude and faith,

**Bob Goody**

NHFA Team

## TRANSFORMED WORSHIP NIGHTS 2025

**Sunday 23rd November 7pm.**

Let's gather together to worship and to press in to all that God has for us! Join us for a night of praise, worship and seeking God.

In these evenings we gather together to worship, recognising that as we do that we can be transformed in God's presence. We often find ourselves praying for a fresh in-filling of the Holy Spirit and praying for those who need a touch from God.

# prayer local and global

## AWAKENING... AWE and WONDER

On our recent holiday in Scotland we enjoyed days of sunshine and showers giving us lots of rainbows, beautiful scenery and photos! We gazed in awe and wonder, being reminded of God's faithful promises and covenant love for us and all of creation.

Then on the first morning of ACE Kids Holiday Club there was another rainbow over Kirkby which encouraged the team as we welcomed children to enjoy FUN, FAITH and FRIENDSHIP through knowing Jesus.

With news of recent hurricane Melissa to hit Jamaica and Caribbean islands and other global news of extreme weather devastating the lives of so many people we are made aware of the battle we're in and our need to pray and give everyone and everything to

JESUS, trusting that Jesus is making all things new.

### Looking forward to celebrating Christmas

We pray for our local Churches in Ashfield to make the most of every opportunity we have to be and to share the Good News of Jesus in our communities. We pray for the 'Quiet Revival' in our nation to be welcomed, experienced and seen here in Ashfield.

"LORD Jesus, help us to be AWAKE to all you are doing in our communities. AWAKE to pray and Love our neighbours. To GO and help people find and follow You, the real Jesus! Amen."

### Homelessness

We pray for homeless people in Ashfield to find Shelter in their Crisis, a Framework of support, freedom from addiction through New Hope

Rehabilitation and BETEL UK, to find and follow Jesus through His salvation army. All working together to end homelessness.

## The Message Trust on tour in Derby

We are part of a World Wide Message Tribe where JESUS is The Message and He calls us to be part of His mission in the world.

This was the message of The Message Trust on tour in Derby on 30th October, that Dave and Christine attended along with friends from Ashwood and Community Grocery supporting their work and our partnerships.

Esther and Maisy from Ashwood Church were there sharing their amazing story of answers to prayer, dreams fulfilled and more, through an inspirational video and interview. We continue to pray for them and our Elevate young people as they seek to be salt and light in their schools, colleges and community.

We give thanks for the incredible growth and fruitfulness of the Community Grocery and Food truck in Kirkby run by Illuminate Hope in partnership with The Message Trust. We continue to pray for the team and the growing relationships with Community Grocery members.

Andy Hawthorne shared his passion for Jesus, the work of The Message and his experience in Edinburgh when he sensed God speaking to him about simple obedience to these ABC's:

A: Keep our heart ATTITUDE right and beautiful like Jesus. The beautiful attitudes of Jesus in Matthew 5 and Philippians 2.

B: Keep the BIBLE central and foundational to our faith journey.

C: Keep JESUS CHRIST central in all we do and say. It's all about Jesus.

Andy challenged us to keep focused on these simple ABC's. Together we can be part of God's amazing mission and revival in our nation and beyond, in our generation.

## LINKS @40 - Our Ruby Anniversary Appeal

We give praise and thanks for ALL the wonderful things that God has done through the faith filled work of LINKS over the past 40 years, bringing community transformation to the lives of so many people. We pray for the ongoing work of LINKS to be fruitful and multiply.

We pray for Sam Walker developing relational Church partnerships in Africa and the UK through LINKS Church Connect vision and mission. Following the Ashwood team working with Sam

and Hope Missions earlier this year, we give thanks and pray for the recent teams led by Sam in Malawi with Seeds of Promise and River Church.

We continue to pray for the growing work of [LINKS African Hub in Kenya](#). They will have their annual partners summit at the Hub at the end of November. This is where all our key 15 organisations from 5 African nations meet, share learning and fellowship together. We can read more to fuel our prayers on the [LINKS website/whyus/?Blog](#).

## A Fair Trade Christmas... is a win-win Christmas.

When farmers and creative producers are given the opportunities to work and trade their way out of poverty and into provision for their families and communities, that is win-win shopping! Fairtrade and sustainable business practices put people and planet before convenience, consumerism and profit. Simply search "Fairtrade Christmas" or check out Fairtrade Fortnight links in the last Ashwood News or chat to Dave and Christine.

Thanks. Together we are sharing LIFE to the full that Jesus promised.

## Giving Thanks

Some of you will remember that last year our daughter-in-law, Hayley was seriously ill with Pancreatitis, spending a while on Intensive Care, followed by many weeks of excruciating pain. Thankfully, once the pancreatitis began to improve they were able to remove her gall bladder and the pain stopped. Then she began the slow road to recovery. All your prayers were so appreciated and made a difference to Hayley and the family.

They expected to have to take Creole, an enzyme to help her digest food, for the rest of her life. She was extremely weak but she was soon back at the gym determined to get back to a reasonable level of fitness. By September she went back to work part time and in November full time. We praise God for all this, as there were moments when we really didn't know what the future might hold.

She and her husband Pete, spent some time with the Matron of the High Dependency unit, to help them process what they went through. Many in her situation have been left with lasting difficulties - Hayley has none. She no longer takes the creole and has no ill effects. She was told she would not be able to put weight on but she tells me she has!!!!

I am truly grateful for every prayer, no matter how small or short, together and with many others, we held her before the Lord as he poured out his love and healing over her.

The biggest thank you goes to our Heavenly Father, to Jesus our Saviour and Healer and to Holy Spirit

**Janet Wright**

## Ashwood LifeGroups

LifeGroups have always been important for maintaining support and care and also a place to grow spiritually.

LifeGroups are a committed place in Ashwood where you can get to know a group of people, share life together and support a smaller group of people. It's also a safe place where we encourage one another to be followers of Jesus.

We continue to add new people to our groups which is always a great pleasure, and is a great way to become part of the Ashwood Family.

If you are new to Ashwood or maybe you've started connecting with us on Sundays online, and you would like us to introduce you to one of our friendly LifeGroups.

Please email [admin@ashwoodchurch.org.uk](mailto:admin@ashwoodchurch.org.uk) and we'll be in touch with you!

### What are LifeGroups all about?

These are the four core values that are at the heart of all of our LifeGroups:

- 1. WELCOME** – LifeGroups are inclusive and a really positive place for everyone to “share life” together.
- 2. RELATIONAL** – LifeGroups are a place of high commitment where people are supported, through trusting, open and accountable positive relationships.
- 3. GROWING** – We believe that the Christian life will always include spiritual development as we seek to become more like Jesus. LifeGroups are a great place to do this.
- 4. JESUS CENTRED** – We want to be a community of people who know the truth of Jesus and live by His Spirit. Prayer, sharing God’s word and exercising the gifts of the Spirit are all part of keeping Jesus unashamedly at the centre of all we are about.

Being part of a LifeGroup is a great way to deepen your faith with others. LifeGroups are small groups that meet together fortnightly to share life and support one another. At Ashwood we aim for our LifeGroups to be: Welcoming, relational, Jesus centred and a place to grow! LifeGroups are a brilliant place to share, develop and learn together, supporting one another in the highs and lows of life.

## A place to ask “stupid” questions

Hello, my name is Robert Marriott and I am a relatively new member to the Ashwood Church family. The word ‘family’ is so important to me and now I have 2 sets of families, which makes me feel very special.

I asked to become a part of a life group because, although the whole church provides plenty of opportunities to talk and pray together, I feel more confident and comfortable in smaller groups of people. I wanted to ask the ‘stupid’ questions and be inquisitive about the bible, this was far easier for me after joining my LifeGroup.

I don’t know the dynamics of other groups, but I feel my LifeGroup is perfect, with all age groups covered from young adults to the more experienced elders. I think I’m in the “elders” bracket but with no experience!

We all participate in our own ways but there is never any pressure to talk or pray if you don’t feel comfortable doing so. We gather together at different homes every couple of weeks and just enjoy each other’s company, faith stories and perspectives whilst eating sweets, cakes and biscuits. What is there not to like about that!

Join a life group at Ashwood it’s for **life!**

**Rob Marriot**

## The Bible Course

We've had some great feedback about the Bible Course! During the Autumn we're finishing the second half. We're praying that for all of us, it will grow our understanding, deepen our roots in God's Holy Word and have fresh revelation. We'd love to hear how the Bible Course has helped you! # Pastoral Care

## Two's Company-Fuelling connection

# TWO'S COMPANY

Most of us have a variety of people that we connect with in some way: People at work, parents at school, those we see at church or at café 22. But for some people in our community, they may not have connections, they may not see anyone for weeks. For some the TV is their main source of company.

Two's Company is our telephone befriending service. It is one of the

many ways we can serve the community and help to address the problem of loneliness. A simple phone call once a week, or once a fortnight could make a HUGE difference to a lonely person in Ashfield. We are blessed to have a variety of wonderful volunteers at Ashwood.

Do pray for our volunteers and the people that they are supporting. This befriending is such a blessing and we want our lovely volunteers to feel upheld.

## Caring for the Carers

Are you involved in caring for someone? A spouse? A sibling? An elderly parent or a friend?

We recognise that within church we have a lot of people involved in caring for relatives.

We want to support our carers, so we have set up a WhatsApp group for those involved in caring for loved ones, so we can pray/support each other.

We have social get togethers

(about every few months). Caring looks different for each of us, some live and care full time for someone, for some it's regularly checking in and supporting a loved one, but we all share that emotional burden of caring for someone.

If you're involved in caring for someone -whatever capacity that is-we really encourage you to get in touch and come along! Or maybe you just want to find out a bit more about it- get in touch with me: [bec@ashwoodchurch.org.uk](mailto:bec@ashwoodchurch.org.uk)

## Pastoral Visiting Team

Many of you know that we have a team that will be available to visit those who are in hospital or chronically ill at home. This is primarily for adults who are within or connected to the church. We recognise that our LifeGroups, Pastoral Hub and Gathering provide the backbone of our Pastoral care across

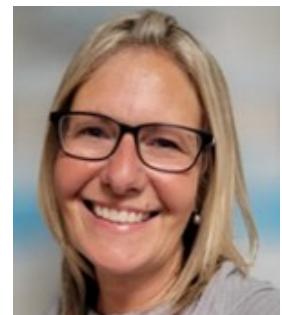

the church and this team of pastorally gifted people will only enhance our support.

The team is led by Helen Tomlinson and includes a variety of people who are both trustworthy and compassionate and have the capacity

to give some time to visit those in need on behalf of Ashwood Church. The purpose of the visit will be to offer encouragement and a listening ear, to pray, offer communion or anoint with oil – always led by the person being visited. During the visit, the person will also be given a card from the Ashwood Church family to let them know we are thinking of them.

For more information or to request a hospital visit for yourself or someone connected to Ashwood Church, please contact Helen at

## WOW-moments

Looking back over the past few years we've seen our church grow both in size and in depth. Numbers are not the only measure of growth by any means but it's encouraging to see what God has been doing and they certainly show us part of the story!

We've had over the past 4 years:

23 people baptised!

Over 80 different people have done the Freedom in Christ course!

Over 60 people have done the alpha course, marriage course and parenting for faith course!

Over 43 people have done the keys to health wholeness and fruitfulness course!

Over 40 people attending belonging to ashwood as they've come into church!

And over the past 2 years: So far 66 new people have joined a LifeGroup!

## "Welcome" according to Wikipedia

A **welcome** is a kind of greeting designed to introduce a person to a new place or situation, and to make them feel at ease. The term can similarly be used to describe the feeling of being accepted on the part of the new person.

In some contexts, a welcome is extended to a stranger, to an area or a household. "The concept of welcoming the stranger means intentionally building into the interaction those factors that make others feel that they belong, that they matter, and that you want to get to know them".

What is there when one makes a welcome?

No thing really, and yet more than any thing. When one makes a welcome one creates the conditions that promise of home. One makes it possible for the other not any longer to feel outside or out of it, but to feel part of it.

Welcome and hospitality are really important to us at Ashwood, we long to see every person made to feel welcomed and cared for whether they are new to us or whether they have been coming to us for while. We hope people feel seen and valued from the moment they come through the church doors to the moment they leave and beyond! Every person helps to cultivate a welcoming atmosphere,

but our welcome and hospitality team play a big role in sustaining this!

## I wanted to give something back

I joined the Welcome Team because I wanted to give something back to the church that made me feel at home from day one. I remember walking through those doors for the first time and being greeted with genuine warmth — it meant so much, and I wanted to be part of creating that same experience for others.

Being on the team has been such a blessing. It's not just about shaking hands or smiling at the door — it's about making people feel seen, valued,

and part of the family. I've met so many wonderful people and grown in confidence just by stepping out and serving in this simple way.

If you've ever thought about getting more involved, I'd really encourage you to give the Welcome Team a try. You don't need to be outgoing or have loads of time — just a heart to make others feel at home. Honestly, it's one of the most rewarding things I've done at Ashwood.

**Pete Brennan**

## Interested to join?

## Eco Tips

### Month: November

**Big Impact:** Insulate your house properly - Loft/Walls/Floors/Doors/Windows

**Little Stuff:**  
Reusable wrapping paper ahead of Christmas:  
“Furoshiki”: repurpose those old t-shirts into quirky new wrapping material (and ideally get it

back or encourage the other people to do the same next year!)

**Easy:** Reduce food waste - buy wonky fruit/veg. Cook smaller portions if food is going in the bin regularly. Take a “doggy bag” from the restaurant if it is too much!

### Month: December

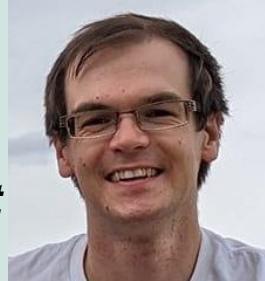

**Big Impact:** If you are renovating your house, recycle the carpet, and everything else you can!

**Little Stuff:** Shop local for Christmas! Avoid amazon! (Find it on amazon, then search for other vendors)

**Easy:** Use a timer plug for your Christmas lights so they are not on all day/night.

## Harvest School Assembly Thankfulness and Sharing

This October, ACE Kids team sent out a virtual assembly to local primary schools focusing on Harvest. As many of us know, harvest is a special time of year when farmers gather in the crops that fill our tables with good things like wheat, apples, and pumpkins. Our aim was to help the children to learn that Harvest is also about both thankfulness and generosity.

The children shared their favourite things about this season, joined in with a lively Harvest Festival True or False Quiz, testing their knowledge with questions about farming, food, and Bible stories before discovering what Harvest means for Christians: a time to thank God for all we have and to remember others who may not have as much.

The children watched a short animated retelling of the Feeding of the 5,000, reminding everyone how Jesus gave thanks, and a small boy shared his lunch — and how God used that small act to bless thousands. The children reflected on how they can make a difference by sharing what they have, perhaps by giving to a food bank or helping a neighbour.

It was great to celebrate the true heart of Harvest

## ACE Kids: October Friday Night Takeaway A Celebration of Thankfulness!

On Friday 3rd October, our ACE Kids gathered for another fun-filled Friday Night Takeaway — and what a brilliant evening it was! With 20 children joining in, the room was buzzing with fun, faith, and friendship from start to finish.

Our theme for the night was thankfulness, explored through the inspiring story of Ruth. Together, we discovered how Ruth's loyalty, kindness, and gratitude remind us to be thankful for the people God places in our lives.

The children got creative with a colourful vegetable printing craft,

making beautiful harvest-themed artwork to take home. Laughter filled the room during the energetic Harvest Relay Race, where teamwork and joy were the stars of the show!

It was a fantastic evening of learning, laughter, and thankfulness — and we're so grateful for everyone who came along to make it special.

ACE Kids – growing together in fun, faith, and friendship!

## ACE Kids Superhero Holiday Club Heroes of Faith!

During the October half term, ACE Kids hosted an exciting Superhero Holiday Club, running over three fun-filled mornings. Each day, around 20 children joined Team Spider-Man and Team Captain America for an action-packed adventure of faith, fun, and friendship!

### Day One – David and Goliath: God Helps Us Overcome Challenges

We kicked off with the story of David and Goliath, learning that God gives us strength to face even the biggest challenges.

### Day Two – Esther the Brave Queen: God Can Use Us to Do Amazing Things.

Our superheroes discovered the story of Queen Esther, who showed great courage and faith—reminding us that God can use anyone to make a difference.

### Day Three – Jesus and Zacchaeus: Rescued by Love

We finished the week with Zacchaeus meeting Jesus, learning how God's love can transform hearts. Abby brought the stories to life with fun props— including a Christmas tree on day three!

Each morning was packed with team challenges, small group discussions, creative crafts (like shields, superhero masks, and fingerprint art), energetic games, and joyful praise and worship. The children also took home a worksheet each day to help them remember what they learned.

A huge thank you to everyone who helped make the week possible—our amazing team, those who prayed, and all who supported behind the scenes. Together we had an unforgettable time celebrating how God makes heroes out of ordinary people!

## Elevate.YTH

### Growing in Faith, Purpose and Community

It's been an incredible start to the new term for **Elevate.YTH!** Since September, our youth have been diving deep into the **Youth Alpha Course**, exploring big questions about life, faith, and purpose in a fun, open, and relevant way.

So far, we've tackled four powerful sessions:

- **Who is Jesus?** – Looking at who Jesus was (and is!), His life, His teachings, and the amazing impact He continues to have today.
- **What Does Real Love Look Like?** – Exploring the power of unconditional love, forgiveness, and God's amazing grace.
- **Why Would I Want a Relationship with God?** – Discovering what it means to be invited into a real, transforming relationship with God.

We'll be continuing with **Youth Alpha** over Christmas and into the new year — it's all about creating space for

young people to ask honest questions and encounter God in a real way.

➡ Who could you invite to join the journey?

### IGNITE Nights

In October, we launched our first-ever **IGNITE** evening — a space to get real about what truly matters. Together, we unpacked what it means that **Jesus is better than...**

1. **Social approval** – His love isn't based on likes or popularity; it's constant and unshakable.
2. **Temporary comfort** – Life isn't perfect, but Jesus gives joy, peace, and purpose that never fade.
3. **Our own plans** – God's plans are always better! As Philippians 3:8 reminds us: "*I consider everything a loss because of the surpassing worth of knowing Christ Jesus my Lord.*"

Following Jesus sometimes means letting go of things that hold us back — but what we gain in return is so much greater: real love, lasting purpose, and a foundation that never fails.

It's an incredible online library packed with thousands of Bible studies, devotionals, teaching videos, and children's series to help us all keep growing in our faith and focusing on *Simply Jesus*.

I said I would give you a little update on what I have been watching, and I am enjoying one of their fascinating series,

# Rural Missions Update – Autumn 2025

It's been an incredible few months for Rural Missions, and I'm so thankful for all that God is doing as we continue to equip and encourage rural churches across the UK.

We recently celebrated a huge milestone - **over 2,000 of our Missional Toolkits have now been sent out!** These free, practical resources are helping churches of every size to reflect on their mission, explore their local context, and take fresh steps to reach their communities. We've heard from churches

using them in PCCs, small groups, and leadership teams, and we love seeing how God is using them to spark new vision and action. If you haven't got yours yet, you can order one free at [www.ruralmissions.org.uk/toolkits](http://www.ruralmissions.org.uk/toolkits).

Last month, I had the privilege of being invited to **Lambeth Palace** for a national gathering focused on **New Worshipping Communities**. It was encouraging to see the growing recognition of rural mission as a vital part of the Church of England's future,

and to share how Rural Missions is helping churches think creatively about what new forms of church might look like in their own settings.

We've also just launched another exciting new resource — our **Visiting Church Booklet**. It's a fun, interactive guide for children coming into church for the first time, whether with school, for a wedding, baptism, or community event. It helps them feel welcome, understand what's happening, and discover something of the wonder of church. You can find out more and order copies from our website.

And finally, I'd love to invite you to join us for our upcoming **Fundraiser Comedy Night with Andy Kind** on

**Sunday, 30th November.** Andy's a brilliant Christian comedian who combines faith, joy, and laughter in a way that lifts everyone's spirits. All proceeds from the evening will go toward supporting the ongoing work of Rural Missions. It promises to be a fantastic night out, so bring your friends and come ready to laugh!

Thank you for your continued prayers, encouragement, and support. It's exciting to see so many people catching the vision that *small places matter to God*, and together we really are making a difference in rural mission across the nation.

all our bacon butties, jacket potatoes and cakes. It was

suggested that I ask a few people about why Cafe 22 was special to them so on Monday 3rd November I spoke to people who were there, both regulars, fairly new people and the team who were on duty. I was so encouraged that the responses reflected what is at the heart of the cafe which is good food and good company. Here are some of the comments, I am keeping them anonymous and also mixing team and customers too. I hope that you enjoy reading them as much as I loved hearing the comments.

- We like the friendliness, it's a social thing we can do (as a couple), it's affordable. It's a nice place to be for

## What do people think about Café 22?

It's been a very busy few weeks with many customers eating up

everyone and we are made to feel welcome. It's a good thing to have in this area, for lots of people it's the only palace they can go.

- We like nice people.
- I like meeting people, speaking to them, encouraging, helping when possible and serving food if required!
- Its where community can come together
- I'm homeless and I'm always hungry
- I want to find out more about God and that. I find it soothing
- I've been coming a couple of years, it's a welcoming, friendly, and safe place.
- Listening to 'em talk, it's nice to have a chat with people.
- I enjoy chatting and laughing with the volunteers, lunch and home made cake is good too.

- The meal was so well displayed I could have been in a Cordon Bleu cafe!
- Somewhere I can belong, company and a warm place.
- A lovely happy team, watching each others back when we miss something, great conversation and it's fun working together. Laughter, lots of it, with encouragement. Lovely to see happy customers enjoying the atmosphere, helping people to connect with a warm welcome and drink, good food, and welcoming. It's great to watch people make connections.
- It's a vibrant centre for the community that I want to be part of.
- I like it, love talking to people, there's a bit of everything, tea and cake.

People are looked after, I like to see who's there.

And finally my thoughts:

Cafe 22 is a reflection of God's heart in and through the team and our customers. I'm so grateful that everybody who is part of the cafe (those I spoke to and those I didn't) play a vital role in enabling such a wonderful and warm space for team and customers alike. Also that everyone who comes into that atmosphere gets a taste of Heaven on earth leaving restored and refreshed.

## **Storehouse Foodbank**

### **Gratitude**

Every week, I turn up at Storehouse Food Bank and have so much gratitude for the team of faithful, joyful and hardworking volunteers who make things happen. But that includes:-

- Everyone at Ashwood and beyond that prays for us and those we serve
- Everyone in Ashwood and beyond that donates food or money to us
- And increasingly, everyone who goes the extra mile to make the folks coming into church welcome

We are excited about all the things God is doing through Storehouse.

### **Lots of Prayer Ministry**

There doesn't seem to be a week that goes by that we don't get to pray one-on-one with people, which is such a privilege.

### **The Storehouse Community**

We have begun to host a team meal for those we serve and the team to get together. There's nothing like a meal to build relationships so this is something else to be praying about.

### **Challenges ahead**

#### **Safeguarding**

If you're in a LifeGroup the Safeguarding team has given your LG leaders some guidelines to pass on to keep the church and people who are beginning to come safe. If you're not yet in a LifeGroup, you could have a word with myself, Elaine or Claire.

#### **Space**

We may be considered for up to a van load of food a month in the near future,

but we don't have a great deal of storage space. If anyone has any ideas, I would be grateful to hear them as I don't really want to turn down the opportunity. Come and have a word with me if you have any insight that might help.

I was *thirsty*, you gave me something to drink...

# The Gathering Place: Come and See

# Get Connected

This is a year of focusing on 'SIMPLY JESUS' and we know that God has designed us to be in relationship with one another. '

The Gathering Place' takes place on the 1<sup>st</sup> and 3<sup>rd</sup> Friday in the month, 2-4pm at the Ashwood centre which is a great space to simply connect and be with people, whatever your age/culture/background. As a church we're always looking for ways to 'do life together', to go deeper with one another and to provide more opportunities for people to mix. Jesus invited people

to come and see (John 1:46).

You may be thinking is The Gathering Place for me? Why not come and see? There is no set agenda or criteria, there are a variety of people that go, different ages, different backgrounds, just playing games, doing craft, chatting, drinking tea and doing life together.

## Why not get connected?
